

WiFi Connectivity

- Designed to go places – bring the instrument to the sample
- Allows multiple user access with individual netbooks

Battery Powered Option

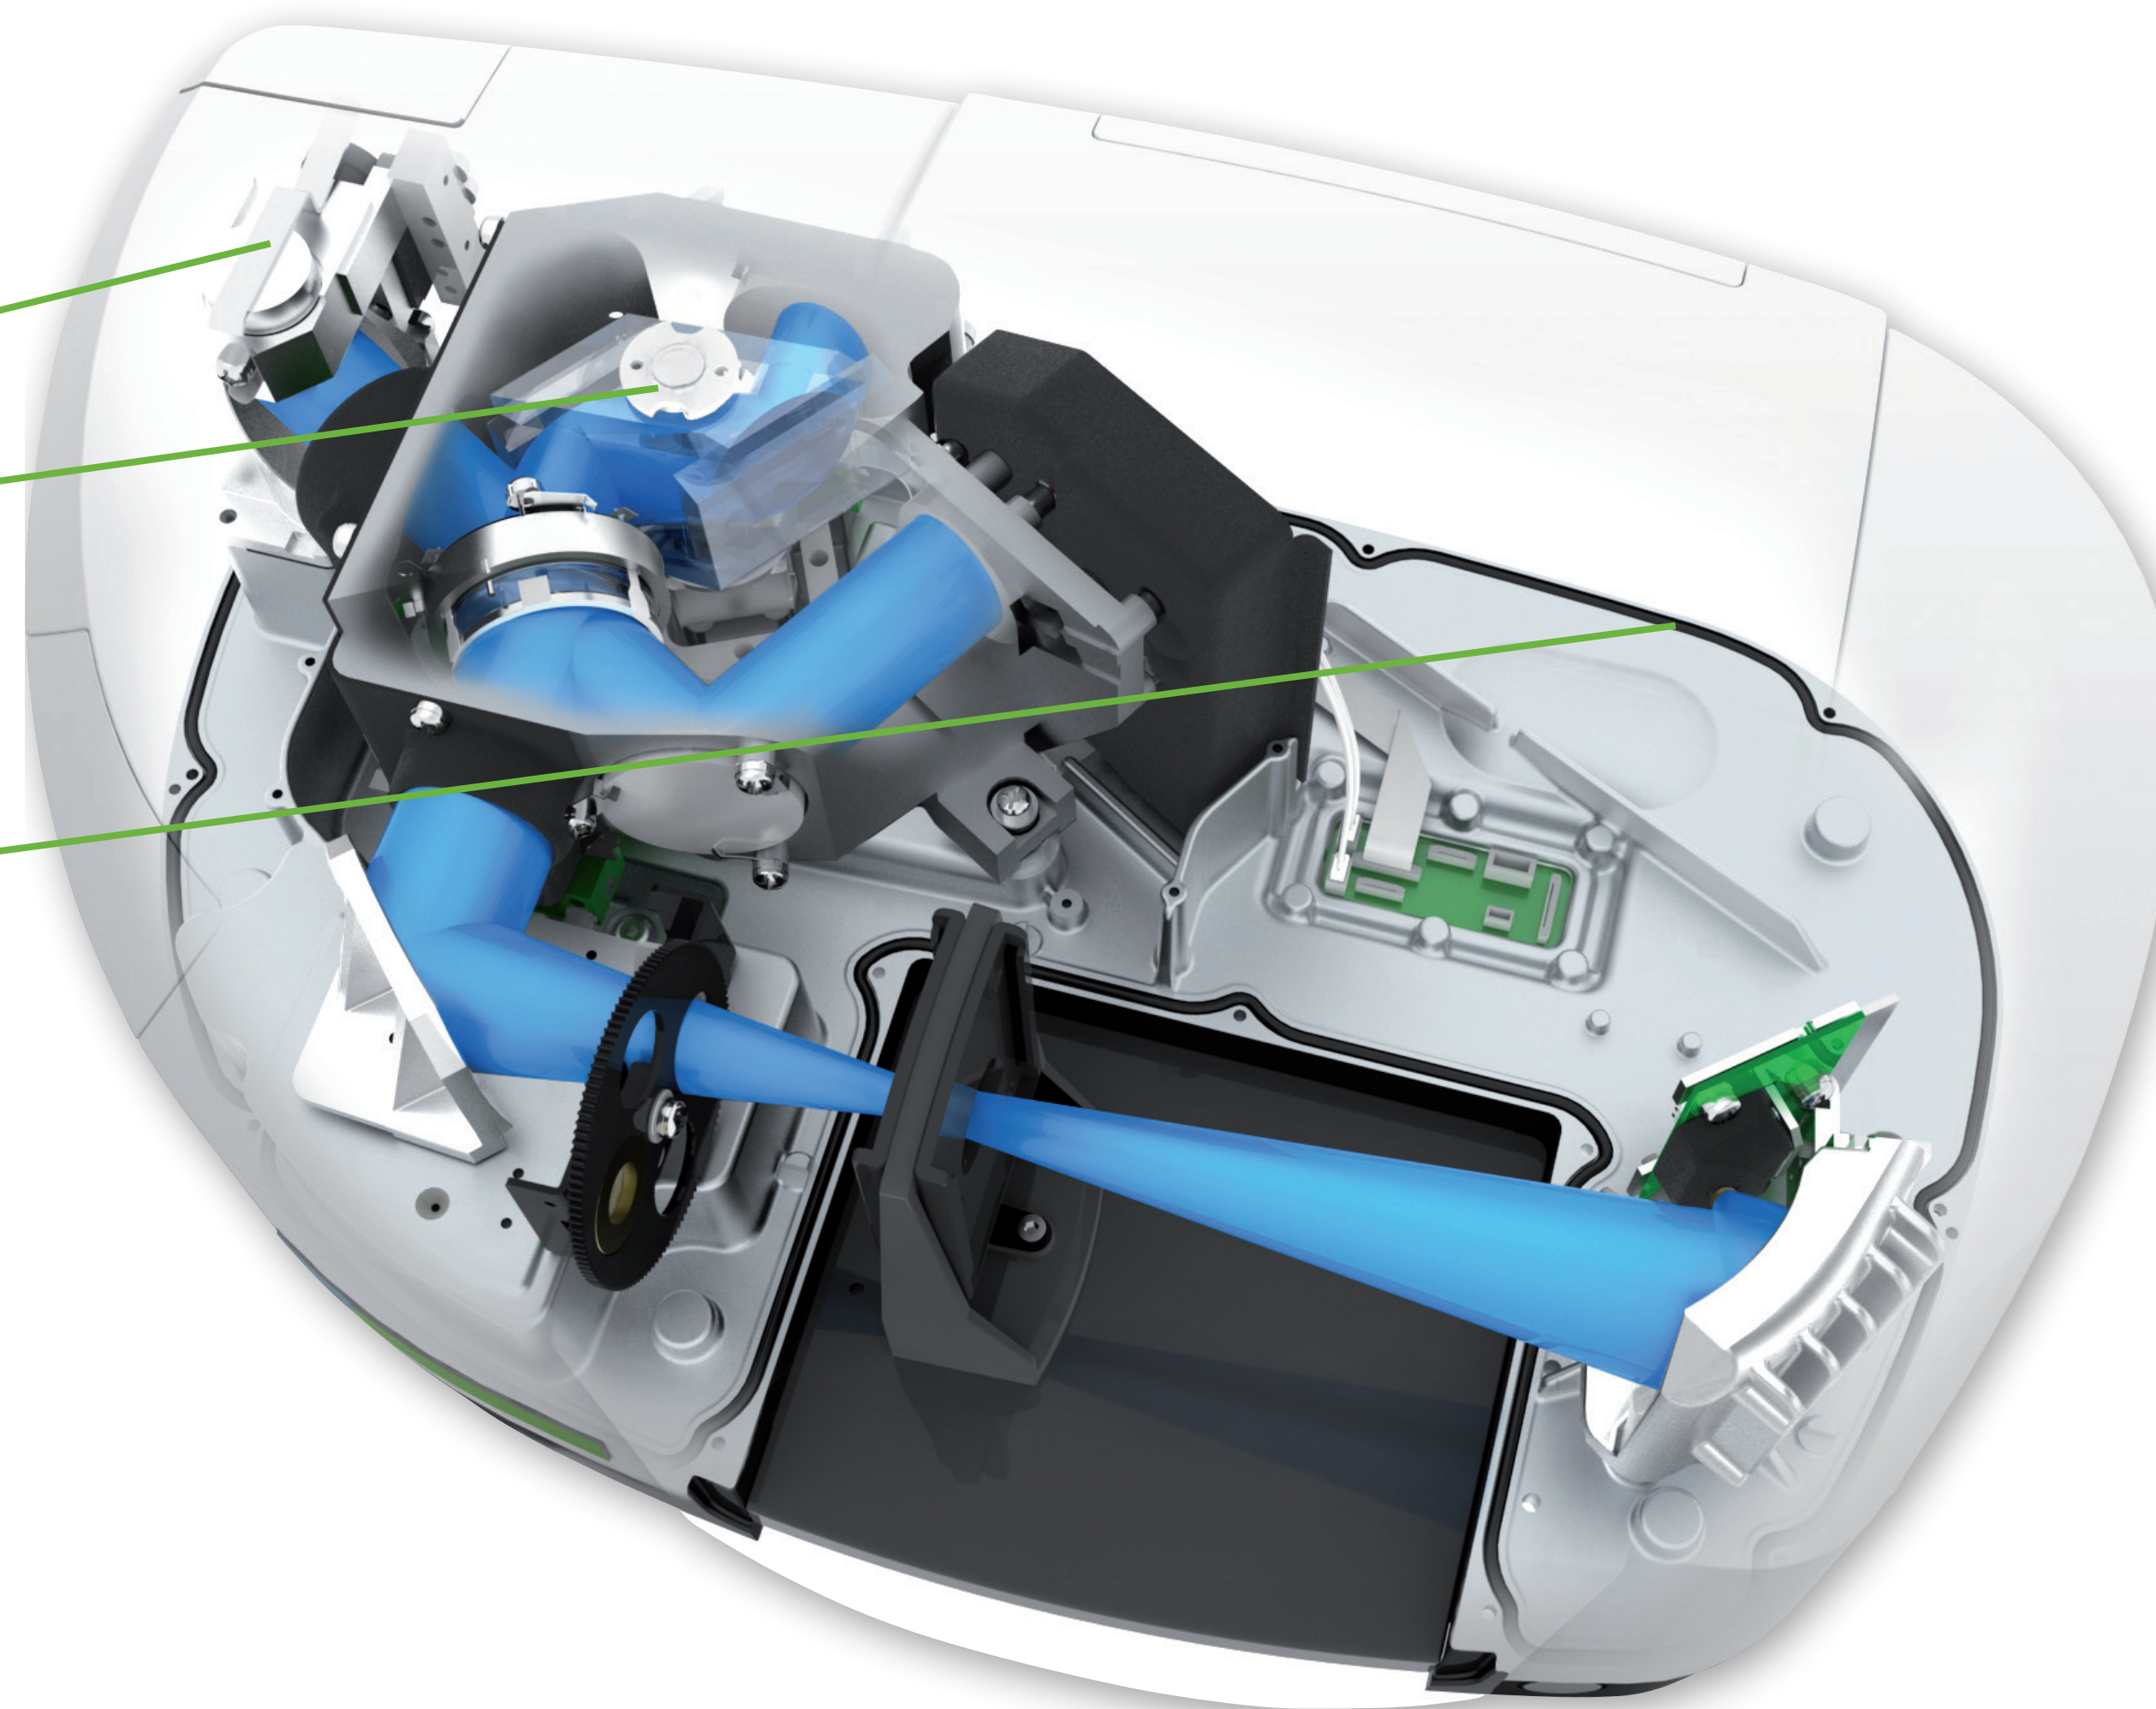

- Full lab performance remotely
- Bridge power failure up to 8 h

High Quality Data - as a result of innovative technology

- Hotspot source stabilization
- Dynascan Interferometer

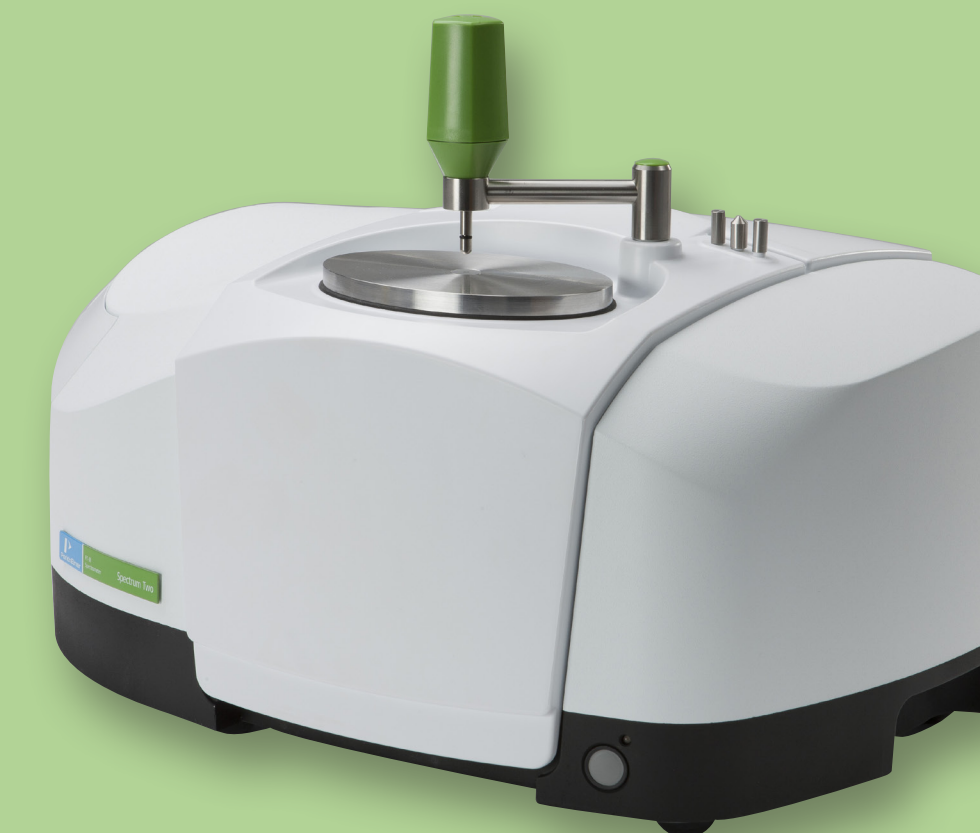

OpticsGuard™

Patented advanced pressure equalization system to accommodate temperature fluctuations and avoid condensation issues for long lasting optics

IR READY
TO GO

SPECTRUM TWO™

ScAnalyze™

- Scan and analyze in real time
- Get results while you measure

Touch™ User Interface

- Minimal decision points
- Intuitive one-click operation
- Robust touch-screen interface
- Multi lingual options
